## Arrangements Catalogue

### 2021

**URBAN** planters®  
for a greener world

TreeLocate have been manufacturing and supplying artificial trees, flowers and foliage for 25 years and have an established reputation for premium grade products with an incredibly realistic appearance.

Our extensive product offering has everything from small tabletop orchids, to soaring Majesty palms and we have long been the preferred supplier to many interior designers, landscapers and architects around the world.

With headquarters, main showroom and primary production facilities located in North East England we have completed projects around the globe. Our TreeLocate Foliages™ team in Dubai operate from a large warehouse and showroom, handling all MENA region requests.

If you require something a little more bespoke, we can build it for you to any specification requested. From TreeLocate's Arboretum™ museum grade trees to maintenance free green wall, our talented artisans have years of experience, know-how and all the tools in-house to do it.

The TreeLocate team ensure you receive our friendly and professional service whether you are a returning or new customer. We quote for any job big or small and are more than happy to assist and offer you advice on any project.
