

Christmas

with

URBAN *planters*®

We offer an extensive range of decorated trees, wreaths and garlands for your workplace. Choose from one of our colour themes which vary from traditional styles to ultra-modern.

A bespoke Christmas theming service is available to suit any location, please enquire to arrange a site visit.

We can provide garlands, wreaths, handmade decorations, bespoke paper on presents, decorative vases, table top displays, upside down trees and light sculptures.

As technology has improved the quality of replica trees has vastly improved in aesthetic and quality, these can be used repeatedly for up to 10 years. A large variety are available in different colours, styles and shapes.

Lights and Decorations - A large variety of lights and decorations are available to cover different styles and colours, we would need to discuss your specific requests. We can also dress external trees with just lights to make a feature of them.

Our live cut trees are from an arable crop, so are fully sustainable. We also fully recycle the trees once removed from your site.
