

# Introduction

Nieuwkoop Europe is a leading trade name in the field of hydroculture, green plants, silk plants, planters and exclusive decorations.

The company has operated since 1968. Today, Nieuwkoop Europe does business in over 40 countries worldwide. The beating heart of the company is located in the Netherlands, just a few miles from Schiphol Amsterdam Airport and close to Royal FloraHolland, the famous flower and plants auction.

As the leading supplier, we focus on a complete range in high-quality products. We are committed to service. We understand immediately what you are looking for and we like finding suitable solutions together with you.

Actually, our pay-off „The Green Lifestyle“ says it all.

### Abies koreana brillant
